CS,President,Adv(E),took part in **CENTRAL OFFICE BEARERS AND CIRCLE SECRETARIES MEETING HELD ON 25<sup>th</sup> and 26<sup>th</sup> February 2015 AT ANDHRA ASSOCIATION BUILDING, LODHI ROAD, NEW DELHI. Com.Amit Gupta was also invited by GS.**

The Views and suggestion placed by our Circle are as follows:

1.JTO-SDE(67%) posting:

We demanded that as soon as the case is vacated the posting may be given at once without waiting for the vigilance clearance.Later the same may be done by the respective circles. It has been already done in JAO-AO order.This proposal was well accepted by the house & GS agreed to pursue in this line.

2.Look after arrangement in SDE & higher post:

We strongly opposed about the present practice of giving LA instead of Officiating promotion.We demanded that Officiating promotion system should be restored.And in the meantime CTD is forcing to take LA as mandatory which is to be made optional.

GS told that the order quoted by CTD for mandatory LA is inappropriate,it is applicable for regular promotion,LA is always optional.He advised CS to take the case with CTD administration.He also agreed to pursue for Officiating.

3.Anomaly in JAO-AO Promotion:

We pointed out that in the recent JAO-AO promotion there are gross anomalies.GS accepted the fact & told that we did not pressed so much against it in order to release the order early to avoid further delay.But as and when it was pointed out amendment are being issued by the active persuasion of CHQ.More re allotment/modification may be issued in future.

4.Long pending HR cases like AD(OL) upgradation,PPS post creation,JTO(RR), 5 increments for JAO 2013 Batch:

We raise the points for immediate settlement.GS accepted that all the cases particularly AD(OL) case is very very long pending.He informed us that HR policy has been accepted in the last meeting of the BSNL Board. Till this time they were not discussing HR issues.Now it will be easy to pursue and hoped for early settlement.

5.FR 22(1)(a)(i) for Officiating JTOs:

We thanked GS for implementation of Court award the the our officiating JTOs & requested to arrange for extending the facility to JTOs who officiated till 2004.

GS agreed and assured that CHQ is thinking about Court Case in this regard if required. At the same time GS informed that cases in Supreme Court are highly expensive, lawyer charges are Rs 3-3.5 lakhs per hearing. Already lot of expenditure has been made to fight the Offtg JTO case. He urged upon the CSs to collect fund for Offtg JTO case from members for extending financial aid to CHQ.
