A delegation of AIBSNLEA/CTD(CS,CP & OS E) met Dir(HR)Madam Smt.Sujata T.Ray at Taz Bengal Hotel today.PGM/CFA II/CTD, GM(F)/WB & GM(HR)/CTD were also present. We discussed the following problems with Madam and handed over a memorandum([See here](#))

1.Implementation of 3rd PRC:Madam told that there is very positive development in this regard.The file is with DPE for relaxation of affordability clause.It is understood that they will sent it to Cabinet.Madam told that MOC(I/C) is very much in favor of 3rd PRC in BSNL.

If everything goes right we may expect some good news in 3-4 months.

2. Standard Pay Scale implementation: Madam informed that DoT is plying tricks over it. They are sending this to DoPT for no reason as we are guided by DPE. Anyway at present this case is not in the priority. However, it will be settled at the earliest opportunity.

3. Cases passed by BSNL MC but not implemented: i) AD(OL) restructuring; ii) E1+5 of JAO 2013 batch iii) Conversion of 50% quota of CAO vacancy: Madam informed us that the management is aware of these cases but due to some technical problems these are being delayed. However, BSNL is adopting same HR policy for engg. and acctt. wing through GM(Pers). Hence, CAO post conversion case might be settled soon.

4. CPSU Cadre hierarchy: Madam told that it is under active consideration. Our beloved GS is contributing with valuable suggestions in this regard. Soon the conclusion may come out.

5. Job Contract Labor wage payment problem: Madam told that everybody in the BSNL CO is annoyed with this problem. But until & unless CTD cannot increase revenue, the cash flow will not increase. As a result of it we have to face harder days. Our salary also may be delayed. Because DoT is opposing loan from Banks for OPEX.

6. Case of Sri Kandrudas Bhagat PS (freezing of increment): Madam asked GM(HR) why is it still unsettled. GM told that in the previous application of Mr. Bhagat there was some technical mistake, however Mr. Bhagat has again applied in the right way, soon GM will send it to BSNL CO & see that it may be settled early.

7. Creation of additional DGM(F) posts in CTD: On query GM appraised Madam that this proposal has been sent to BSNL CO with recommendation CGM/CTD. Madam then told she will examine the case.

8. Settlement of pay fixation/arear of JAO 2010 batch: We put forward our views regarding this that a person cannot be denied twice to get pay benefit. Madam totally agreed with our view and told she will consider this case of paying arear in the JAO grade. On our query she assured that this case may be settled by BSNL CO itself. We are very much hopeful for early settlement.

9. Spl. CL for Circle and Branch leadership of AIBSNLEA: Madam told that our GS is regularly pursuing this matter with her. She will definitely grant it at the earliest but with certain limitations.

10. Stand alone CAO posting: We told that in CTD stand alone CAO posts are being offered by the SEA section in a very stringent manner. As a result of it in some places JAO is working simultaneously as AO and CAO. Some AOs have to look on as CAO and several charges of AO simultaneously. But in the Engg. wing it is being dealt with a liberal manner. Madam appreciated our concern and commented that from the ethical & vigilant angle this practice is not acceptable. She told that this case should be taken up with the local authority as there is integration in HR policy by BSNL CO. We will take up this case with GM(F) & CGM/CTD.

Overall the meeting was very amicable and cordial. Madam appreciated the endeavor taken by us in CTD and WB to develop BSNL. She also told that she knew that we are working on Sundays/holidays especially for marketing activities and collection of long pending dues. **We assured Madam that our members are always ready to serve Dept. with full vigour but personal dignity and honour should not be neglected by the CTD Management. Madam assured us that she will take suitable steps in this regard.** She also appraised us that the instruction to operationalise Subsidiary Tower Co. wef 01-04-2018 and pay them Rs.100 Cr. from the Fund of BSNL. She told us not to be swayed over this and disrupt work the matter is being dealt at the CHQ level. There are some legal ways to combat this Autocratic move of Govt. of India. We will definitely sort out.

We informed Madam AUAB has already take a lunch hour demo opposing it on 27-03-2018. We will participate with full force. Madam requested us to stay united to oppose any move to weaken BSNL but not to disrupt the day to day working as we may lose public faith.
