Press release from MoC&IT:

In a press release on dated 28.04.2015 from the Ministry of Communications & Information Technology it has been informed that Bharat Sanchar Nigam has been told to improve services and ensure that better quality of signal is maintained specially in the border and extremism affected areas. Union Minister for Telecom and Information Technology, Sh Ravi Shankar Prasad said these at a meeting with the members of Parliament from the States of Bihar, Meghalaya, Manipur and Nagaland. The meeting was part of the series of meetings planned to make telecom officials directly answerable to the parliamentary representatives so as to have a firsthand account of public sectors performance, problems faced and possible solutions.

The Union Minister for Telecom and Information Technology, Mr. Ravi

Prasad said while the Government is committed to revive BSNL and numbers of initiatives are in the pipeline to bring it back to the position of market leader. He said the management of BSNL will also be expected to regain lost confidence of people by improving services and response. He said a major initiative has been launched by BSNL to improve quality of signal for which it plans to add another 1150 towers during this fiscal in Bihar alone.

Members of Parliament from the States of Rajasthan, Himachal Pradesh and North Eastern States participated in the first meeting. Mr. Prasad has directed the Department to call five such meetings so that all members of parliament are given opportunity to raise issues directly with officials concerned.

Members of Parliament who attended yesterday's meetings gave overwhelming support to Mr. Prasad initiative to revive glory of BSNL and categorically stated that they are eager to extend all support in this context. They were not only concerned about the deteriorating quality of BSNL services but even apprehended private players role in obstructing growth of BSNL which enjoined lead position in the sector till 2004. They only suggested that meeting of representatives from Defence and Home should be called to address this problem.

Mr. Prasad also directed the Department of Telecom to explore the possibility of setting up a dedicated cell in BSNL to monitor the effectiveness of its network in border areas and also in areas badly affected by extremism.

The meeting was also informed that the public sector which came into being only in October 2000 has a net worth of Rs 51,203 crore with an equity capital of Rs 12,500 crore only. New initiatives taken to improve viability include Wi-Fi services, data centre services and introduction of next generation network switching technology. It was pointed out that four million lines in phase -I will have NGN by the end of this fiscal while total number of 14 million ports are planned. 2500 hot spots are planned for the year of which 41 hot-spot have already been deployed.

Congratulations! Due to our active persuasion, a reallocation order of P S Das Sharma JAO has been issued from BSNL CO. We are very much thankful to CTD/Admn & GS and AGS(F) for this co-operation.

11-04-2015

CS & ACS met GM/CFA-II and discussed about posting of DGM in central area and pointed out about the position of External section of Barabazar exch. There will be only one SDE to look after the whole division. Later we discussed this point with GM(HR & Admin.) also. We also met GM(Vig) for sending report to BSNL CO regarding promotion of CAO (Adhoc) & other cases.

11-04-2015

Congratulations! After prolonged persuasion, an order regarding some request transfer case has been issued on 10-04-2015 (see Medha). We will pursue for further pending cases. In this regard, we extend our thanks to CGM/CTD & GM(Fin). We are also specially thankful to Convenor FORUM/CTD for extending solidarity in this case.

11-04-2015

Convention for Save BSNL ! Save Nation! was organized in Behala Exch on 09-04-2015 by FORUM/Alipur. The programme was presided over by Com. Bhaskar Chakraborty of BSNLEU. Members of constituent unions & associations of Alipur area participated, our members were also present in large number. More than 100 members made the convention successful. On behalf of AIBSNLEA/CTD ACS Com. Subhasis Mitra addressed the meeting. In his deliberation, he emphasized that our role is

very crucial to fight out the anti-PSU policy of the Govt. because in spite of several constraints we have to gather the support of customers & people at large by our service only. For this reason we have to build up broad based unity in every level. We as a part of FORUM/CTD ought to make 21-22 April Strike successful to change the anti-BSNL attitude of Govt.

08-04-2015

On 07-04-2015 a convention in support of 21-22 April Strike was organised by FORUM/CTD at NSCBTTC, Kalyani. About 100 members of different constituents of FORUM were present, Members of AIBSNLEA participated in that convention. Com. Ajoy Chakraborty of BSNLEU presided over the meeting. On behalf of AIBSNLEA/CTD Circle Com. Asok Kolay ACS addressed the gathering. In his deliberation he explained the need of united protest against the naive attitude of BSNL Management/DoT/Govt. in order to revive BSNL. He also expected that the executives/non executives of BSNL will make the strike successful in CTD as done in past occasions.

08-04-2015

CS, President & other leaders met CGM/CTD on 07-04-2015 at his chamber. They discussed about the latest position of some transfer requests of accounts personnel. After prolonged discussions CGM requested us to propose a policy on which request transfers may be considered, we agreed but requested him to consider the recent requests on humanitarian ground. CGM said that it is GM(Fin) who is responsible to decide over this matter, he is not objecting. Later leaders met GM(Fin) and pressed him to issue transfer order as the cases are very acute & urgent, they also requested GM to recommend the cases of declination of promotion to AO(from JAO) to the BSNL CO & not to strike off the applying officers. He assured to look into.

CS reiterated that we will pursue these cases until positive result is achieved, we may consider to take TU action also if required.
