30-06-2018

AIBSNLEA Vision and Positive approach benefited thousands of Executives by promotion through CPCs: AIBSNLEA since beginning was trying to get filled up all the vacant Group-'B' and Group-'A' (STS) equivalent posts and simultaneously persuaded for the implementation of CPSU Cadre Hierarchy since Feb-2011. AIBSNLEA was demanding CPSU Cadre Hierarchy implementation in the form of "Non Post Based time bound functional promotions upto the level of SG-JAG level and post based promotions after SAG level and above. Accordingly a Joint Committee headed by the then PGM(FP) Sh. S.R. Kapoor was constituted wherein AIBSNLEA, SNEA & AIGETOA were the participants but the Committee could not reach the unanimity and Mr. S.R. Kapoor retired. Then Sh. N.K. Narang, the then PGM(SR) headed the Committee but this Committee also failed to submitted the report. Thereafter, our CMD BSNL Sh. Anupam Shrivastava ji intervene in the matter and a new Committee headed by the then ED(NB) Sh. M.A. Khan was constituted having the GM(Estt.), GM(EF), Jt. GM(Pers.) official side members and Association side AIBSNLEA, SNEA and AIGETOA as the members.

This Committee after number of marathon meetings submitted the report in Sept-2016 but the report was not liked by the then PGM(Pers.) and he kept it pending. Again we took up the matter with CMD/Director(HR) BSNL and after their intervention PGM(Pers.) redrafted the CPSU Cadre Hierarchy in discussion with so called majority Associations and gave presentation to CMD/Director(HR) BSNL wherein he limited the functional promotions upto Sr. SDE level only, the bench marks were made stringent and Jt. DGM designation to E-5 grade to AGMs was not considered. AIBSNLEA immediately protested against such dilution of Khan Committee report and demanded immediately to take the views of AIBSNLEA also as 2nd majority Association. Management Committee of BSNL Board immediately directed PGM(Pers.) to take the views of AIBSNLEA also after discussions PGM(Pers.) hold discussions with AIBSNLEA and incorporated some suggestions viz. functional promotion upto AGM Level, Jt. DGM designation in E-5 scale and numerical benchmarks for promotion to avoid heavy droppings etc. The cutoff date from last CPC or year of recruitment, eligibility SDE/AO to DE/CAO was not considered 7 years instead of 12 years and the cutoff date was decided 01.01.2017.

This revised CPSU Cadre Hierarchy proposal was considered by the Management Committee of BSNL Board but the BSNL Board approached the CPSU Cadre Hierarchy on prospective dated which created problem that seniors was not getting any benefit of CPSU Cadre Hierarchy rather were being put in loss. In view of this, AIBSNLEA impressed upon the management for the filling up of all the vacant Group-'B' and Group-'A' (STS) level posts immediately before the implementation of CPSU Cadre Hierarchy. AIBSNLEA concern was appreciated by the management and they started the process of CPCs immediately. In the first phase management Committee allowed Pers. Cell to conduct the CPCs in accordance with the promotions being made by other ministries. Meanwhile Hon'ble Supreme Court delivered the judgment on SC/ST roster implementation in promotions and accordingly BSNL Management immediately issued 1987JTO to SDE(T) LDCE quota promotions and 3000 JTO to SDE(T) SCF quota promotions. AIBSNLEA continued its efforts to get conducted CPCs in all disciplines which resulted 2227 JAO to AO promotions, 3450 SDE(T) to DE Promotions, JTO(TF) to SDE(TF) and SDE(TF) to AGM(TF) promotions, SDE(E) to EE(E) and JTO(C) to SDE(C) promotions. Now efforts are being made to get CPCs conducted from AO to CAO, JTO(T) to SDE(T) to fill up all the vacant

posts. The promotion orders from JTO(E) to SDE(E) and SDE(C) to EE(C) are expected shortly.

All the above promotion orders have been issued and are being issued with the untiring and dedicated efforts of AIBSNLEA. Some vested interests tried to block the CPCs but failed. AIBSNLEA always demanded CPSU Cadre hierarchy on the basis of Khan Committee report to benefit the executives in true sense/sprit.

AIBSNLEA congratulated all the executives got promoted and now getting promoted. History has been created in BSNL.

AIBSNLEA is extremely thankful to CMD, BSNL, Director(HR), Director(CM), Director(CFA/EB), CGM(Legal), GM(Pers.), GM(Estt.), Jt. GM(Pers.), GM(SR) and the concerned officers of Pers. Cell, who involved in the process of CPCs and completed successfully by their Hard Work within the assigned dead line.

It is learnt the Hon'ble Ernakulam CAT has not granted any stay on the SDE to DE promotions when the case was brought before the CAT and passed the directions that the promotion orders can be issued subject to outcome of final verdict.

27-06-2018

SDE to DE promotions - A hurdle created by District Secretary of SNEA, Rohtak (Haryana):

It is really saddened to report that SNEA, the so called Majority Association, when the BSNL Management not accepted their demand of immediate notification of CPSU CH, they have taken the CAT Chandigarh route to stall the CPC proceedings for SDE to DE promotions.

Today, one of their Office Bearer Shri Ramesh Kumar alias Ramesh Kumar Nehra, District Secretary, SNEA, Rohtak (Haryana) has filed an OA in the CAT Bench Chandigarh and appeared in person and got directions that "The respondents are directed to make promotions from the post of SDE to AGM as per Hon'ble Apex Court judgment cited above, after following the catch up rule in terms of the above said judgment by complying with the mandate of M. Nagraj, subject to final out come of the OA".

The so applicant Shri Ramesh Kumar belongs the SDEs seniority List No. 8.

27-06-2018

SDE to DE CPC is in progress wherein seniority List No. 6 & 7 are being covered along with 287 SDEs of SC/ST quota from the seniority List No. 8. Total 4700 SDEs are being considered. About 3000 SDEs APARs have been accessed and promotion orders will be issued subject to availability of VCRs. Promotion orders are expected today. Regarding DE to DGM promotion, GM (Pers) mentioned that these promotions will be considered in the month of July or August 2018.

Regarding AO to CAO CPC it is learnt that the stay order granted by Hon'ble CAT Chandiagrh has not been vacated so far. JAO to AO promotion CPC has been expedited and the minutes have been submitted to the competent authority for approval. Promotion orders will be issued after the out come of the court case.

27-06-2018

Misleading information on JAO to AO promotions spread out by SNEA:

It is really saddened to report that SNEA, the so called Majority Association, publishing sentimental news against AIBSNLEA to masquerade their false face. AIBSNLEA DS of Kottayam Branch has been called by some of his batch mates belonging to SNEA informed about their move to claim their promotion along with CPC covering JAOs up to 2013 and sought his joining also as he is a lone member of AIBSNLEA in that batch. Though this batch of JAOs belongs to JAO batch 2012, they have been trained in 2016. Being informed that all his batch mates are moving together for their claim, he was requested to join. Before signing, DS was reassured that the case is for considering their promotion alone.

From SNEA site only he could understand that his signature has been used for the stay purpose also along with other Non-AIBSNLEA Members. By understanding the trap move of

another association Com. DS rushed today morning to Ernakulam and withdrawn his signature on today morning itself.

27-06-2018

After filling the writ petition promotion order will be issued subject to outcome of court case.

Electrical wing :

- a. JTO (E) to SDE (E): 126 SDE (E) posts will be filled up by 30th June 2018. VCR have been called for.
- b. SDE (E) to EE (E): 130 EE (E) posts will be filled up by 30.06.2018.

Arch wing:

- a. JTO to SDE (Arch): One vacant post will be filled up by 30.06.2018
- b. SDE to EE (Arch.): no vacay is there for SDE to EE(Arch.).

Accounts wing:

- b. AO to CAO: 335 regular vacancies, 284 CAO posts got vacated on DGM Adhoc promotion, 336 MT quota posts to be utilized. Therefore, 955 CAO posts are to be filled. GM (FP) told that efforts are being made to fill up these vacant posts after getting clearance from Pers. Cell, filling the writ petition in the Hon'ble high court Chandigarh against the stay order granted on Catch-up Rule and filling MA in the Hon'ble CAT Chandigarh on the basis of recent Supreme Court judgement and DOP&T instructions. GM (FP) assured an early action in this regard. We further requested to promote all the eligible AOs to CAOs by up-gradations.

Telecom Engineering Wing:

- a. JTO (T) to SDE (T): We expressed our serious concerned against non-filling up of the vacant SDE (T) posts by the eligible JTOs . JTO recruited in the year 1999 is still waiting for its first promotion after a gap of 19 years. This is the most frustrating and de-motivating situation wherein other streams up to 2013 recruited executive are getting promotions. To bring parity among the cadres, it is required to promote all the JTOs recruited up to year 2013 and having requisite eligible service. Director HR appreciated our concern and directed GM (Pers) and Jt. GM (Pers) to examine and process the case for CPC immediately.
- b. SDE (T) to DE (T): Jt GM (Pers) informed that CPC has been processed to fill up 4887 posts (1782 regular and 3105 through up-gradation). He further mentioned that there is no stalemate in the CPC and efforts are being made to issue before 30th June, 2018.

AIBNSLEA Central Office Bearers, Advisors, Consultants and Circle Secretaries meeting at New Delhi on 28th and 29th June 2018.

AIBSNLEA decided to hold its Central Office Bearers, Advisors, Consultants and Circle Secretaries meeting at New Delhi on 28th and 29th June 2018 to discuss the status for holding of all the CPCs in all the disciplines to fill-up all vacant Group "B" and Group "A" level posts in various disciplines before notification of CPSU Cadre Hierarchy.

The situation has warranted us to hold this emergent meeting of Central Office Bearers, Advisors, Consultants and Circle Secretaries meeting at New Delhi on 28th and 29th June 2018 wherein the so called majority Association is detrimental to the interests of executives. They are mis-leading the executives that the CPCs may take two years or more time in completing the process whereas Comrade GS has discussed in detail with Director (HR) regarding conduction of CPCs and she has categorically mentioned that in the recent meeting of all the cadre controlling officers, a road map has been decided to expedite all the CPCs in a time bound manner for all disciplines i.e. Telecom / Finance / Civil / Electrical / Architect / Telecom Factory wings before 15th July 2018. And, she has categorically told that before 30th June 2018 only 20% CPCs conduction is possible. And, after notification of CPSU Cadre Hierarchy the CPC process has to be stopped.

In view of this situation, AIBSNLEA has decided to hold demonstrations on 27th June 2018 during Lunch Hours at all SSA/Circle HQs and BSNL Corporate Office level.

The necessary notices for the aforesaid meeting and holding of demonstrations on 27th June will be issued shortly.

All the Central Office Bearers, Advisors, Consultants and Circle Secretaries are requested to immediately book their both way journey tickets to New Delhi immediately.

CS & CP attended the development meeting called by CGM/CTD with all associations & unions. PGM/CFA/NWO-II, PGM/Plg & PGM/S&M were also present. CGM/CTD intimated though CTD has secured 3rd position on All India basis in terms of revenue, but the loss has increased from 331 cr. (last yr) to 416 cr. Only LL & EB sector has shown some ray of hope but mobile sec it is 35% down compared to last yr. Shortly 700 tower will be upgraded to 4G & 350 BTS in new sites will be installed. CTD has launched 3 attractive Combo Plans (199, 299 & 491) for grabbing more customers. In FTTH sec we launched 777 & 1277 unlimited plans.

Under Aishwarya Scheme we have realised 1.5 Cr in two months in current yr. We have to carry on this initiative. Already BSNL CO issued order to shift the payment of Take home Pay of all executives & non executives from the last day of the month. BSNL has a crunch of cash in flow.

In CTD we have to organise 20-25 Melas/Camps per area & DE/ExtIs has to generate new demands & retention of existing nos. by visiting Prospective customer's premises.

CGM also stated that TRAI drive test has rated BSNL as no.1 in GSM data speed (4 to 5 mbps download speed) on the go.

From our side we proposed :

BSNL can approach Universities & Govt Offices for having bulk connections of Mobile.

BSNL can give advertisement stating new plans on the reverse of electricity/municipality bills.

We also proposed for mobile van tableau like other operators in the streets for ample advertisement.

We told to introduce BSNL app for the benefit of the subscriber especially the Tech savvy new generation;

replacement of old paper core cable is extremely necessary.

BSNLEU leadership when placed their proposal quoted that a fear psychosis is prevailing among the employees due to the attitude of CGM/CTD which may hamper the normal activity of CTD (it may be noted that AIBSNLEA/CTD has already written a letter in this regard earlier). In reply CGM stated that he has been working in CTD for more than last 2 yrs & has not done any harm to any employee. Only to motivate them he has to take this measure.

Some of other executives associations (whose leadership never took the pains of working in External section) proposed that telephone bills may be distributed to the subscribers by

External people. But CGM told that before implementing it a thorough discussion is required because as GM he introduced it in other circles in vain.

The meeting ended with assurance of wholehearted participation of our members for the development of CTD.

Today 18 06 2018 in response to our letter to CGM CTD with copy to Dir(HR) & GS CGM called me over phone at about 12 noon. The initial reaction of CGM was that he is in receipt of the letter and he asked why letter is written without discussing the issue with him. He further said this time he is honuoring the letter, but next time he will send back the letter without giving any cognizance. He suggests that we must talk to him before writing any such letter. He further mentioned that whatever is being done is as per instruction of CMD and he will not learn rules and regulation from the Association.

He emphasized that such letters will spread the negativity. Only AIBSNLEA is protesting the actions while other associations and unions are appreciating the actions and there by speaking positivity. He also alleged that we are trying to cover our member's inefficiency. While discussion he even questioned my performance as DE regarding collection of dues and retention of TD lines.

I politely replied that AIBSNLEA doesn't believe in negligence of duty and negativity. All the Accounts people who are doing commendable job are all our members. Our engineering members are also involved in discharging their duties with responsibility and devotion against all odds. We only protested the illegitimate use of dies non and humiliation faced by the executives in the meetings. I also told why all the workloads of different jobs like retailer visit, franchisee SIM cell, collection of dues always given to CSC and external section. Why transmission and CMTS executives are excluded from these kind of jobs. Why exchange/DSLAM failure due to fibre cut and transmission issue are not restored in a time bound manner? He avoided the reply and suggested that the external units should submit a report calculating the loss for such disruptions.

Again I politely remind him that we are neither against the discipline imposition nor spreading negativity, rather, we always work hard and motivate our members to work for the development of CTD. But, we do not like to lose our dignity which we earned by serving in the department in a prolonged career. Present situation is demotivating the executives which is not acceptable to us. He said we should not accuse him personally, I replied in nowhere in that letter anybody is personally accused, only the repressive behaviour of the administration is being objected. At last he again reiterated that before writing any letter we should visit him and tell our grievances. And if any executive feels any problem he may go on leave.

The telephonic conversation lasted for about 15 minutes. Comrades, we feel the purpose of writing the letter has been achieved and we also consider the discussion as a positive consequence of the protest letter written by our mighty Association. What is painful is that the leaders of the other association are not projecting true feeling of their members to the management, but if CGM has to be believed, they are projecting the opposite picture to him. May be they are all afraid and doing so to please CGM. They should remember that as leaders they are duty-bound to serve their members not the management.

We can assure all executives that AIBSNLEA CTD will always rise to such occasions in any case of humiliation and unjusted steps taken by the Administration and will never be cowed down, come what may.

A delegation consisting of CP,CS,OS(E) & FS met DIR(HR) and handed over a memorandum:([see here](#))

A discussion took place in a congenial atmosphere.Madam told that we can expect all the DPCs to be materialised within this month,but 3rd PRC is not expected very soon because DoT,when asked to prepare cabinet note for relaxation of affordability clause,again sent a letter to BSNL asking about the total expenditure for this including non executive wage revision and source of meeting this huge amount.Madam told that only answer is amendment of BSNL Pension contribution on actual Basic Pay.Hon'ble MOS(C) is also sympathetic to this demand.When asked about Tower Company Madam told BSNL Management is not thinking over it at this moment.

But she alarmed that a very crucial time is ahead of BSNL,within next one year we are going to face a severe financial crunch .Salary, Medical etc might be affected.We all must try to increase the revenue of BSNL heart & soul.

She informed that BSNL is going to launch 4G service soon

We also discussed some problem related to CTD & All India as below:

1. Standard pay scale with benefit up to E6 scale.

2. Immediate implementation of following awards which are already accepted by BSNL Management committee:

i) Restructuring of AD(OL) scale, ii) E1+5 increment for JAO 2013 batch iii) Conversion of 50% quota of CAO vacancy (like in case of DEs)

Core Committee Members meeting with CMD BSNL:

CMD BSNL called a meeting of the core committee members of all Unions and Associations wherein Comrade GS along with core committee members i.e. GS.BSNLEU, GS/NFTE and GS/SNEA attended the meeting. CMD BSNL mentioned that joint efforts of BSNL Management and all employees are required to increase the revenue of BSNL.

CFA segment: He mentioned that Broad-band connections surrender is taking place due to speed limit constraints and FTTH growth is also not much. He further mentioned that we should explain the customers that Broad-band copper market is not for speed, it is for download wherein maximum 2Mbps

to 20Mbps. The tariff under Rs. 99 Plan 70 GB down load is available for speed purpose Mbps Plan through FTTH should be recommended wherein the Exchange to Subscriber premises wireless network is being created on revenue sharing basis through channel partners immediately. CAPEX will be arranged to have our own wireless system.

Cable TV operators (Local TV) are also facing threat from JIO and now we will make them channel partner on 50:50 revenue sharing basis. In this manner the Broad band target has now been increased to 20 times.

CM Segment: CMD mentioned that in CM segment 40% revenue has gone down which has affected cash flow. The main reason is that BSNL don't have 4G spectrum and metro cities like Delhi & Mumbai. Now BSNL decided to deal directly with retailers along-with franchises. The commission will be paid 12% whereas Reliance JIO is giving 9% and Airtel 5%. Proper monitoring system on retailers is very much required. Recently BSNL has signed an MoU with Patanjali Group and now offering a special plan of Rs. 144 with unlimited voice, 1.5GB data per day to all Patanjali card holders. Through this we should capture the market.

EB Segment: CMD informed that last year our revenue growth was positive in this segment by providing maximum lease line circuits after 7-8 months JIO is also entering in this field. To compete with now BSNL officers have to leave their rooms and go for marketing. And this moment is known "KAMRA CHODO - Leave the Rooms". In this manner, CMD clarified that BSNL has to increase its revenue without depending on Govt support. At this stage, we can not ask Govt support in view of the implementation of 3rd PRC. We assured to discuss the matter and mobilize the employees in this regard.

Incentive to BSNL employees and BSNL pensioners: CMD informed that we are finalizing an incentive scheme under Marketing Cell to the BSNL employees and BSNL pensioners for selling the BSNL brands and to become channel partners.

Judgement dated 05.06.2018 in OP(CAT) No.45/2015 on the files of Hon'ble High Court of Kerala:

The judgement in the above case along with other connected cases was pronounced by the Division Bench of the Hon'ble High Court comprising Hon'ble Mr.Justice. C.T Ravikumar & Hon'ble Mr.Justice. K.P.Jyothindranath on 05.06.2018 when AIBSNLEA counselor Advocate Benny M John appeared on behalf of AIBSNLEA, the 16th respondent.

The prima facie understanding regarding the judgment is as follows:

- * The main findings of the Tribunal were not interfered by the Court.
- * The final eligibility list is to be prepared within 6 months and provisional promotions can be done on a 1:1 ratio equally from the senior most promotees and senior most direct recruitees.
- * It seems some contrary observations and directions in the judgment and the same can be detailed only on receipt of the certified copy of the judgement.

AIBSNLEA has applied for the certified copy of the judgement and the same will be shared on receipt.

Misleading information by AIGETOA against AIBSNLEA posted on their website dated 30.05.2018.

AIGETOA in their website as updated on 30.05.2018 the GS AIBSNLEA falsely indicated AIGETOA name about the Allahabad court case and un-necessarily bothered Director (HR) for the reasons best known to him. This update on AIGETOA CHQ website is false and un-called for a responsible Association without verifying the facts. The fact remains that AIBSNLEA CHQ Office Bearers had meeting with Director (HR) in the presence of GM (Pers.) and demanded to issue JTO to SDE (T) SCF quota promotions also since these JTOs are waiting for their first promotion since 1995 JTO Recruitment year. Director (HR) appreciated our concern and asked GM (Pers.) to explain the bottle neck in the promotion of JTO to SDE (T) SCF quota, if any. GM (Pers) explained that the court case in the Hon'ble High Court, Kerala has been listed for pronouncement of the judgment on 4th June 2018 and one more court case stay order is pending in the Hon'ble High Court Allahabad and in this regard yesterday GS AIGETOA has assured him to get withdraw the court case by tomorrow itself. After hearing this reply Director (HR) immediately spoke with CGMT Kerala Circle and directed him to take all the efforts through BSNL's advocate to get the judgment pronounced on 4th June itself wherein CGMT Kerala Circle assured her to get the judgment pronounced on 4th June 2018. Just after

this, Director (HR) immediately called the GS AIGETOA in her chamber and advised him to ensure withdrawal of court case from Allahabad High Court by tomorrow itself and GS AIGETOA assured for its compliance by tomorrow. During these discussions, AIBSNLEA CHQ Office Bearers were present but they did not interact in between and never implicate the name of AIGETOA in it. Both the above actions of Director (HR) were based on the feedback given by the GM (Pers) only. Thus the allegation of GS AIGETOA against GS AIBSNLEA is false and uncalled for.

AIBSNLEA is working and safe guarding the interests of entire BSNL executive's community in true sense which can be witnessed since its inception in the year 2004. AIBSNLEA need not to learn the functioning from the friendly Association. With the untiring efforts of AIBSNLEA only the BSNL Management decided to initiate CPCs to fill-up the vacant Group "B" and Group "A" level posts (up to DGM level) and after this decision, AIBSNLEA promptly persuaded to issue promotion orders wherever it is immediately possible. About 2000 LDCE qualified JTOs were waiting for their posting on promotions due to SC/ST Roster implementation court case and SDE RR modifications. BSNL Management responded positive to our demand and immediately issued modified SDE RRs. These two decisions paved the way to issue promotion orders of LDCE passed JTOs to the post of SDE (T) and accordingly, Management issued the promotion orders of 1987 SDEs of LDCE quota.

To continue the process, AIBSNLEA emphasized BSNL Management to speed up CPCs work to fill-up all vacant SDE/AO and DE/CAO equivalent posts before notification of CPSU Cadre Hierarchy. Whereas, the fact remains that the so called joint forum is continuously pressurizing BSNL Management for immediate implementation of CPSU Cadre Hierarchy without holding of CPCs. The executives can analyse the truth with the ongoing developments for the last three years where more than 2000 LDCE qualified JTOs were waiting for their SDE promotion and the 4500 JTOs are waiting for the last 22 years for their first promotion to SDE cadre under SCF quota.

WHAT THESE MIGHTY ASSOCIATIONS WERE DOING FOR THE LAST THREE YEARS?

Now every body is trying to take the credit for the promotions, CPSU Cadre Hierarchy etc when these are becoming reality. CPSU Cadre Hierarchy was demanded by AIBSNLEA in the year 2011 where a committee headed by Shri S.R. Kapoor, the then PGM (FP) was constituted thereafter again another committee headed by the then PGM (SR) Shri N.K. Narang was constituted but both the committees failed to submit the report. Thereafter, a new committee headed by the then ED (NB) Shri M.A, Khan was constituted wherein AIBSNLEA, SNEA and AIGETOA were the members from Association side and after many marathon meetings the committee report was submitted which was twisted by Pers Cell BSNL Corporate Office in close coordination with the so called majority Association after referendum and with the support of their associate Association of Joint Forum. But, with the timely action taken by AIBSNLEA, many important modifications / improvements were incorporated in the CPSU Cadre Hierarchy. AIBSNLEA always demanded cut-off date from the last CPC or from the year of recruitment and some more issues but BSNL Board approved it with prospective date of implementation which AIBSNLEA protested and demanded immediate holding of CPCs to fill up the vacant SDE/AO, DE/CAO and equivalent posts before notification of CPSU Cadre Hierarchy to save the executives from humiliation because after CPSU cadre Hierarchy implementation all the existing RRs and posts of Group "B" and STS equivalent will be abolished and under new promotion policy. Under this CPSU Cadre Hierarchy these SDEs/ AOs equivalent executives are first to be promoted to the functional post of Sr. SDE/ Sr. AO equivalent and thereafter to the post of DE/CAO. It will further stagnate the existing SDEs and AOs who are waiting for their DE/CAO promotion.

Whether the so called joint forum leaders are not aware of the facts that BSNL Management is intending to notify MT Recruitment simultaneously with the implementation of CPSU Cadre Hierarchy? If known, why they are hiding this fact from their members? Since they claim that they were involved in the process of finalization of CPSU Cadre Hierarchy and what is their stand now?

AIBSNLEA has cleared its view to the BSNL Management on all the occasions whether it is during discussions or in writing to oppose MT Recruitment at STS level. Thus AIBSNLEA in true sense trying to protect the interest of entire executive community in BSNL rather than playing with the career prospects of executives in BSNL. Let the executives be understand the game plan of the so called Joint Forum Associations from the above facts.
