Joint Committee Meeting with ED (NB):

GS attended the Joint committee meeting with ED (NB) and discussed regarding implementation of CPSU cadre hierarchy since on E-2 and E-3 to JTO and SDE equivalent cadres the committee discussions are over. In today's meeting the GSs of AIBSNLEA, AIGETOA and SNEA (I) pleaded in support of granting

designation and functional duties to the grade on time bound promotions under EPP as it was assured at the time of absorption.

All the CHQ / Circle / Branch office bearers are requested to provide suggestions to CHQ in this regard for further discussions immediately.

The OP when came for hearing in the Division Bench of Hon'ble High Court last time on 10-7-2015, senior advocate from BSNL along with advocates from all other respondent sides appeared for argument. Shri Benny.M.John (High Court Advocate) appeared for AIBSNLEA being the impleading respondent in this case at High Court. The Court then adjourned the case and posted for final hearing on 20th July 2015. The advocate appearing for AIBSNLEA is well appraised of the various aspects of this matter. He was asked to highlight the prevailing stalemate causing undue delay in allowing legitimate promotion of about 6600 JTOs.

Instructions were given to him to bring the urgency and gravity of the matter to the kind notice of the Hon. High Court. The case is under constant pursuit of our advocate at High Court. (Counsel for AIBSNLEA in High Court in the above OP (CAT):- Adv.

Update on meeting with CMD BSNL in response to our agitation notice/demands: As per the assurance given by CMD, BSNL in response to the notice for the organizational program, meeting is held in the chamber of CMD BSNL and in the presence of Director (HR) on dated 13.07.2015 from 1500 hrs to 16:30 hrs. GS AIBSNLEA, FS AIBSNLEA, GS AIGETOA, AGS AIGETOA and one representative of AIGETOA BSNL CO Sh Vivek Kumar Singh participated in the meeting. Meeting lasted for about 1.5 hrs. While initiating discussion CMD mentioned that mainly he has convened this meeting to discuss and understand the pending HR issues of our demands that's why he had called Director (HR) only. At the outset CMD had discussed regarding viability of BSNL and specifically about night calling and All India Roaming free scheme recently launched by BSNL and appealed to united forum to grab this opportunity to increase the customer base and revenue for BSNL for which forum has assured full cooperation and effort in field.

Almost all the issues were discussed in brief and received very positive response from CMD and Director (HR) both. CMD BSNL after listening the brief of the various issues directed to Director (HR) to have detail discussion on all the issues for time

bound resolution. Director (HR) has advised to discuss only four issues of our demands in each meeting for resolution. The next meeting will be held with Director (HR) involving concern GMs on 16th July 2015 at 12:00 hrs and further meetings will continue till the discussion/resolution of all the issues mentioned in the agitation notice. The detail of the today's discussion will be uploaded shortly.

We understand that our all the HR issues are on right track and definitely be resolved in due time. As our CMD and Director (HR) are showing full concern with our legitimate HR issues, we assured him to work overtime to grab the customers and revenue for the revival of BSNL. Recently our CMD has taken some bold decisions of free night calling and All India free roaming due to which customer perception has changed positively towards BSNL which is required to be en-cashed by giving wide publicity through organizing Melas, media publicity, providing immediate NTCs on demand, removal of faults within three hours, increasing up time of BTSs, monitoring of franchisees outlets, improving customer service centers, immediate resolution of billing and other complaints etc. To ensure successful implementation of above all the Circles/District branches of Forum of BSNL unions/associations must conduct joint meetings and to meet respective Circle/SSA heads for providing adequate resources/help.

JTO to SDE promotion case at Hon Ernakulam High Court: After preliminary hearing, Hon Court posted the matter to 20.07.2015 for final hearing and disposal. Our lawyer and BSNL pleaded for vacation of stay or disposal of the case as there is no merit in the

case. 4 or 5 officers are opposing the promotion of thousands of JTOs, our lawyer pointed out. The applicants lawyer opposed it on the plea that they are questioning the policy and hence matter has to be heard in detail. According to the convenience of all parties, the matter posted to 20.07.2015 for final hearing and disposal.

Committee meeting to discuss E-2, E-3 IDA pay scales for JTO/SDE level executive implementation of CPSU cadre hierarchy and first time bound promotion after 4 years in all the cases:

GS attended the meeting held on today in the chairmanship of ED (NB), BSNL CO, New Delhi. In today's meeting committee has finally decided to extend E2 and E3 IDA pay scales in place of E1A and E2A. From the Association side, we strongly demanded arrear payment for the post 2007 batches but official side are in opinion that same should be paid later on profitability of the company. The committee will submit its recommendations with the views of all members. Final decision on arrear payments will be taken by the BSNL Board. Cascading effect is not in the purview of the committee hence, no comments are required at this stage. Next meeting of the committee is scheduled on 27th July 2015 in which discussions on CPSE cadre hierarchy will take place.

Comrades! This is only beginning of a fight to achieve our demand .Please, understand this is not at all any settlement as some other is demanding. Remember AIBSNLEA does not

believe in cheap propaganda & false promises. Beware!

Organizational Action programs deferred for six months: Three days nationwide hunger fast called by the united forum of AIBSNLEA and AIGETOA was observed successfully all over India on first day. Executives from the nook and corner of the country participated actively and shown overwhelming support to make the programs a grand success.

Realizing the gravity and strength of the agitation, four rounds of talks were held with Senior GM (SR), GM (Pers), Director (HR) and CMD BSNL with the representatives of AIBSNLEA and AIGETOA. Considering our demands and acknowledging the genuineness of the issues raised and the subsequent resentment and unrest amongst the executives, BSNL management informed us that they have deferred the internal and external MT exam for six months. We insisted that since the discussion on CPSU hierarchy is going on in the committee headed by ED (NB), any discussion on the requirement of any fast track mechanism within internal candidates should be held thereafter and MT in any form is not acceptable to us. We also pleaded with management to inform the timeline for resolution and progress on other pending HR issues discussed with Director (HR). Director (HR) appreciated our concern and directed Senior GM (SR) to issue a letter in line with the discussions.

Thereafter, CMD BSNL assured that he has been personally monitoring the developments and he is aware of the commitment given by HR wing. He further reaffirmed his commitment for resolution of the NO MT issue raised by the forum and resolution of other HR issues in a time bound manner. He also assured us that an agenda meeting with United Forum shall be held on Monday, the 13th July 2015 for his review of the HR issues. CMD BSNL emphasized on the need for exercising restraint and patience in view of the formalities associated with the

matter. He also asked us to concentrate on the viability of the BSNL and making the recently launched schemes popular i.e. free night calling and free roaming and to provide quality services to the customers. We assured our fullest cooperation in his endeavor to turn around BSNL and to achieve its pristine glory.

Com GS, President AIBSNEA and President, AGS AIGETOA attended all the meetings with the management and also addressed the meeting during hunger fast at BSNL CO, New Delhi.

In response to the positive gesture shown by the BSNL management particularly CMD BSNL, forum of AIBSNLEA and AIGETOA has decided to defer the ongoing agitation program for six months. Though, some break through has been achieved but final outcome is awaited. We sincerely hope that management will honor its commitment for implementation of CPSU cadre hierarchy and resolution of pending HR issues in a time bound manner failing which we all should keep ourselves ready for resuming the deferred agitation program. At this juncture, we request all the members of AIBSNLEA and AIGETOA and other executives who supported the program, to resume their duties immediately and to concentrate for the growth of BSNL. We extend our sincere gratitude and heartfelt thanks to all the office bearers, esteemed members and well-wishers for their overwhelming support to the agitation program.
