CS ,CP ,FS & CWC member met DIR/HR Madam at the chamber of PGM/CFA and greeted her with Flower Bouquet & Sweets. PGM/CFA was also present .We conveyed our heartfelt gratitude to Madam for the effort taken by her kind self as DIR/HR & her whole team giving promotion to almost 12000 executives of different wings in BSNL. Madam appreciated our view & told that the best way to reciprocate the gratitude is to work hard to serve BSNL. We discussed some pending cases & submitted a memorandum. ([see memorandum](#))

[Click here for glimpses>>>>](#) [<<<<Photo1>>>>](#) [<<<<Photo2>>>>](#) [<<<<Photo3>>>>](#) [<<<<Photo4>>>>](#)

**1) Regarding 3rd PRC implementation:** Madam intimated that Ministry asked for some clarification regarding the affordability clause, now note in this regard is being prepared & will be placed before Cabinet. Madam herself will be present there to clarify. On our query Madam intimated that as BSNL Board approved for 15% fitment, Management will plead for that only. No lower fitment will be proposed.

**2) a) AO to CAO promotion :** Madam intimated that every effort will be taken to vacate stay on 3rd August itself. She is confident that if the hearing is done the stay will be vacated. She assured us that Management very much interested to vacate the stay so that the clear vacancy of CAO may be filled up. Upgradation of post will be taken care of later.

**b) SDE to DE promotion (list 8):** It was informed that work is in progress & Management is trying to fill up the DE post at the earliest.

c) **JTO to SDE promotion:** We all know that work in this regard is under process & taken on priority. Madam intimated that Management is trying to maintain the parity with Accounts wing regarding the year of recruitment of JTO viz a viz JAO.

d) **DE to DGM promotion:** Work regarding this is under progress. Madam told that we should see that our Circle has sent the relevant documents for early completion of the process.

e) **ADOL restructuring case:** We informed Madam that the DoT order regarding this has been issued on 26th June 2018 as per recommendation of BSNL Management. Departmental order is yet to be issued. We requested that the date of effect of restructuring should not be later than the DoT order. Madam assured that she will see for early issuance of the order.

3) **JCL wage payment:** We mentioned that work in CTD is suffering heavily due to irregular fund allotment for JCL payment. We argued that BSNL is paying the wages in full every month, if release of fund be early (i.e within 7th of the month ) we can get better output from the JCL. PGM also requested Madam to see this case & gave commitment that CTD will have better result as a consequence of it.

4) **Some personal requests:** We submitted some personal requests of our member. Particularly we requested the settlement of the case of Com.K.D.Bhagat PS which is pending since few years. We requested her to pay personal attention in this regard. Madam assured to look into. The case of Com. Dipankar Saha AO also specially mentioned. Com. Saha was exonerated of all charges & now requested to get back his seniority in AO cadre. Madam admitted that it is a rightful demand & assured to settle the case.

5) **Transfer of AOs outside the Circle:** We intimated Madam as a result of promotion of 2226 JAOS to AOs there must not be any shortage of AOs in the Circles. So we request to see that no transfer order of AOs outside the Circle be issued. Rather, the AOs of CTD who are working in the other Circles may be returned to the home Circle. This will not only give relief to our senior Comrades but also save some unnecessary expenditure incurred by BSNL. Madam appreciated our view & assured that Management will see that as few as possible transfer order will be issued. Only in case of shortage Circle some order may be issued on need basis.

6) **Grant of special C/L:** We reminded Madam the order regarding grant of special C/L to the Circle & Branch leadership of AIBSNLEA is yet to be extended. Madam told that it has been passed in BSNL MC & will be put in Board meeting. It will be sanctioned soon.

7) **Unreported/Unreviewed portion of APARs:** We intimated Madam that due to retirement of reporting /reviewing officers & due to their negligence of timely settlement many members are suffering due to non completion of APAR. As a result their names are not considered in DPCs. We requested Madam to look into. She informed us in such cases the incumbent should apply to the **cadre controlling authority** in this regard. Necessary certificate will be issued from the concerned section for condonation of the period & his name will be placed for DPC.

8) **Recent order of BSNLMRS for pensioners:** Recently issued order states that pensioners who opted for W/O voucher will get 25 per cent of 23 days basic pension plus DA at the time of

retirement on 78.2 subject to minimum limit of Rs.12000/-. We pointed out that the persons retired before 2007(i.e before implementation of 2nd PRC) will be deprived, In some cases people opting for with voucher may get entitlement less than Rs.12000/-. Madam appreciated our view and advised to communicate in writing. We handed over the letter written in this regard by GS, AIRBSNLEWA. She assured to look into to maintain to parity.

The meeting ended in a cordial atmosphere & Madam specially mentioned the commendable role of our beloved GS for helping Her & her Team in completing the DPCs & giving promotion to more than 12,000 executives in different cadres. She also told that she will try to attend our CWC at Dehradun.

Status of Contempt Case filed by AIBSNLEA, BSNLEU and SNEA in the Hon'ble High Court Delhi against the deployment of ITS Officers in BSNL.

As reported by our counsel the matter was listed on 25.07.2018 as Item No. 63 in Court No. 7 before Hon'ble Justice Siddharth Mridul at the Delhi High Court.

Mr. Rajshekhar Rao appeared on behalf of the Petitioners. Mr. Vikram Jetly and Mr. Jasmeet Singh were present on behalf of the DOT. Senior Advocate Mr. Saket Sikri appeared on behalf of BSNL. Mr. Mittal assisted by Mr. Krishna, appeared on behalf of the ITS Officers.

The matter was argued considerably. Mr. Mittal made submissions on behalf of the ITS Officers. The Hon'ble Judge while keeping in mind the decision passed by the High Court, observed that there was a practical difficulty in placing the ITS officers in DOT and was inclined to adjourn the same on the ground of no urgency. Thereafter, Mr. Rao requested the Court to hear the Petition filed by BSNL employees in as much as they were directly aggrieved by the contumacious conduct of the Respondents since the ITS officers were occupying senior positions in BSNL because of which no promotions were being made amongst the BSNL employees. Mr. Rao relied upon the DOT Memorandums and the subsequent decisions passed by the High Court, where time and again the Courts have denied the proposals given by DOT as was sought to be done by way of the Impugned Orders. On this, the Hon'ble Judge orally observed that in so far as the BSNL employees are concerned, DOT ought to consider the grievance of the BSNL employees and has re notified the matter on 25.10.2018.

**AN OPEN LETTER BY THE MEMBERS OF AIBSNLEA**

(To whom it may concern)

**Subject:** Ethics, Decency and Norms in Trade Unionism.

**Comrade,**

We have noted with grave concern the write up appearing in your website abusing our GS AIBSNLEA Prahlad Rai. We can understand the your frustration because of the non implementation of CPSU CH on 1<sup>st</sup> July for which you have claimed your victory leaps and bounds in advance on one hand and implementation of CPCs of various cadres promoting 12000 executives as per demand of AIBSNLEA on the other. Although, AIBSNLEA is never against CPSU CH but is logically demanding filling up of all vacant posts before implementation of CPSU CH which management has accepted and is in process of implementation. This is indigestible to you and every 2<sup>nd</sup> day you are threatening for agitation which never taking place. When management is working on war-footing for promoting executives, you are threatening agitation. From this itself, one can understand your level of frustration.

Now you are personally after Prahlad Rai GS AIBSNLEA. You have unnecessary raised the issue of retirement date of Prahlad Rai being fully aware of the constitutional provisions of AIBSNLEA. As at present four CHQ office bearers are retired but all are holding their posts till the pendency of present body as per the Constitution of AIBSNLEA. BSNL management is aware of it. But you have singled out only Prahlad Rai and raised objection on his functioning as GS. If any violation of REA rules took place, BSNL management is there to look after, is it ethical on your part to raise such issues with the management just to settle your personal score. You have even threatened to boycott the meetings which will be attended by Prahlad Rai as GS AIBSNLEA because he is retired, forgetting the fact that you have accompanied a retired person as your President in several meetings for one and half years and still you are accompanying him as Chairman. You are even ready to compromise with the unity of unions and associations if they support or speak in favour of Prahlad Rai for the sake of satisfying your ego.

Actually you are afraid of the wonderful performance of Prahlad Rai and his team which stands in the way of your desire to establish your one-upmanship image in BSNL. You are thinking that in the absence of Prahlad Rai you can easily establish your desired image. But we are sorry comrade, he will continue to lead AIBSNLEA for some more time and will be replaced by another even more powerful Prahlad Rai in due course. You have totally forgotten that in trade union individual is not important but the policy and vision of the organisation is. If you don't change your attitude, your organisation is also going to suffer. Come to the senses comrade.

**Good Bye.**

**Meeting with GM (Pers.), BSNL Corporate Office:**

GM (Pers.) called AIBSNLEA for a meeting to discuss regarding the promotions of executives. GS, President, AGS (HQ) and AGS (DR) attended the meeting. Jt. GM (Pers) was also present in the meeting.

We extended our sincere gratitude and thanks to the Management for issuing promotion orders of 12,000 executives within a months time which has been appreciated by all the executives. And, AIBSNLEA wants continuance of the process of promotions of the executives through CPCs before implementation of the CPSU Cadre Hierarchy. GM (Pers) appreciated our concern and mentioned that Management still wants to continue the promotions through CPCs but unanimity in this respect should come from all the corners. He asked the opinion of AIBSNLEA regarding equalization of promotion avenues in all the disciplines. We explained that equalization in promotions in all the cadres should be ensured as far as possible.

We demanded that all the eligible JTOs should be promoted to SDE (T) by filling-up of the vacant SDEs posts and either through up-gradation or by diversion of LDCE quota posts to SCF quota.

SDE to DE promotions should be issued to reduce stagnation in the cadre of SDE (T) by promoting all the eligible SDEs. GM (Pers) mentioned that even to promote Seniority List No. 8 SDEs about 3500 post up-gradation would be required which will increase the strength of the DE to about 10500 wherein deployment plan is to be prepared. We mentioned that after implementation of CPSU Cadre Hierarchy DE strength will be about 15000 in the year of 2022 and about 22000 in the year 2028. Thus promoting 10000 - 12000 should not be a problem through CPCs.

Regarding AO to CAO promotions, we requested to promote all the eligible AOs to the post of CAO by up-gradation of posts. GM (Pers) assured to discuss the matter with Director (HR).

For promotions in Civil/Electrical/Arch/TF/PA/PS/CSS cadres, GM (Pers) mentioned that regarding up-grading the posts of EE and equivalent cadres, proposal have been received in Pers. Cell and after discussion with Director (HR) a decision will be taken in this regard.

Regarding DE to DGM promotions GM (Pers) mentioned that an MA has been filed in the Hon'ble CAT Chandigarh on the basis of recent Hon'ble Court judgment and DOPT instructions. After vacation of the stay, CPC proceedings will be expedited to fill-up about 700 - 900 DGM posts.

Finally, GM (Pers) mentioned that AIBSNLEA concern on promotions will be apprised to the competent authority for further directions.

**Statement of Facts of Director (HR) meeting held on 09.07.2018:**

Director (HR) BSNL Board convened a meeting of the General Secretaries of BSNLEU, NFTE, AIBSNLEA and SNEA. But GS/BSNLEU, GS/AIBSNLEA and GS/SNEA could attend the meeting with Director (HR) since GS/NFTE was out of station for attending his Union meetings at Mehboob Nagar. GM (Pers.), GM (SR) and OSD to Director (HR) were present in the meeting.

The very purpose of conducting the meeting of four General Secretaries of the recognised Unions/Associations was to discuss the dispute going on among the two major executive Associations which is damaging the environment of BSNL.

Director (HR) in the beginning of the meeting mentioned that the Management is trying to do its best for the non-executives and executives. Thus every body should work together in unity for the betterment of BSNL and its employees.

Comrade GS/BSNLEU initiated the discussions and told Madam the main reasons of SNEA to write a letter against GS/AIBSNLEA is that at the instance of GS/AIBSNLEA Mr. Khan, CHQ President has been reverted and transferred from BSNL Corporate Office to UP (W) Circle.

In response to this, Director (HR) replied that both the allegations against GS/AIBSNLEA are not correct and Management has not taken any action at the instance of GS/AIBSNLEA. The first point, reversal of Mr. Khan is the outcome of the Hon'ble Supreme Court judgement regarding the 147 LDCE Quota SDEs seniority case. In this respect, GS/SNEA reacted and mentioned that SNEA is not against the reversion but is against the eligibility decided by the BSNL Corporate Office in respect to these 147 LDCE Quota SDEs with reference to SDE RR provisions. Director (HR) immediately replied that BSNL Corporate Office has issued 147 LDCE Quota SDEs reversion orders in accordance to the Hon'ble Supreme Court judgement as understood. However, various court cases have been filed in different Hon'ble CATs & now based on that Management may review its decision, if required.

On the second point, Director (HR) mentioned that Mr. Khan, SDE has been transferred by the decision of Director (HR) and I am competent enough to transfer my executives. GS/SNEA reacted that the transfer of Mr. Khan is not on the basis of a policy. Then Director (HR) clarified that Management has decided not to keep Union/Association Office Bearers in BSNL Corporate Office. It was understood that Mr. Khan is having a house in Noida. In view of that it will be convenient for him to be posted at Noida. However, in case Mr. Khan has a difficulty in going to UP (West) then his order may be modified to Delhi today itself and accordingly, she directed GM (Pers) to put-up the case for issuance of the modified transfer orders of Mr. Khan.

Thereafter, Director (HR) discussed the objections raised by GS/SNEA regarding continuance of the Shri Prahlad Rai as GS/AIBSNLEA even after his retirement. GS/SNEA reiterated his stand and told that my Association's stand is very clear that Mr. Prahlad Rai should not be allowed as GS/AIBSNLEA as per the BSNL (REA) Rules-2014. In this respect GS/AIBSNLEA replied that as per the decision of CWC Trivandrum and further decision taken in the CHQ Office Bearers & Circle Secretaries meet held at New Delhi Shri Prahlad Rai will continue as GS along with other retired CHQ Office Bearers till next AIC which has already been requested to the BSNL Management. In the next CWC meeting of AIBSNLEA being held at Dehradun on 18<sup>th</sup> and 19<sup>th</sup> August 2018 the venue and time for the next AIC will be decided.

Comrade GS AIBSNLEA further mentioned that Comrade GS/SNEA has forgotten that in his last tenure, his CHQ President Comrade G.L. Jogi who retired on 30.06.2013 continued as CHQ President SNEA till next AIC of SNEA held in September 2015 at Jaipur about one and half years after his retirement that was also in violation of Executive Association SNEA recognition Rules 2004 i.e. only serving executive can become the Office Bearer of an executive Association. But AIBSNLEA never raised any objection against Comrade Jogi's continuance after his retirement in writing or verbal. In this regard, GS/SNEA mentioned that Mr Jogi continued as CHQ President for one and half year but he did not make any communications. Then GS/AIBSNLEA clarified that normally President is not making any communications.

In this regard, GS/BSNLEU mentioned that such things are happening even in non-executive Unions also for example 2<sup>nd</sup> recognised Union, NFTE could hold its AIC after one year but such point was never raised by BSNLEU or any other Union. Then GS/SNEA reacted with anger to GS/BSNLEU that why they are interfering in this matter. If they do like this, SNEA may break its relations with AUAB. GS/BSNLEU replied that he is sitting here in the meeting on the invitation given by Director (HR) to resolve the dispute amicably and he further mentioned that this is not the time to fight rather it is the time to safeguard the BSNL and its employees. Important issues like 3<sup>rd</sup> PRC, Pension Revision, Payment of Pension Contribution on actual and BSNL Tower Subsidiary are the important issues needs settlement through unity. The reply of GS/BSNLEU was appreciated and accepted by Director (HR). She further requested to keep harmony.

GS/SNEA immediately reacted and told that GS/AIBSNLEA for the last 15-20 days is updating on his CHQ website regarding promotions which is adversely affecting SNEA. He categorically told that Management should have implemented CPSU Cadre Hierarchy from 01.07.2018 itself to bring parity amongst the executives instead of conducting CPCs and promotion orders. Issuances of 12,000 promotion orders of executives have created disparity amongst the executives. GS/SNEA mentioned that GS/AIBSNLEA has written a letter against GS/SNEA not to allow him as GS/SNEA since he has been served with Charge Sheet in violation of BSNL (REA) Rules 2014.

In this regard, GS/AIBSNLEA clarified that he has not written any letter in response to GM (SR) letter which was addressed to CHQ President/AIBSNLEA. CHQ President in his reply has mentioned reference about GS/SNEA for violation of BSNL (REA) Rules -2014 and served as Major Penalty Charge Sheet even after he has been allowed to work as GS/SNEA. Also SNEA on their website spread hatred amongst the executives targeting particular cadres and community to create cadre war.

Director (HR) mentioned that Management is ready to bring parity in all the cadres by promoting executives even by up-gradation of posts. 12,000 promotions of executives has been appreciated by each and every one and Management wants to continue this process to bring parity but it is unfortunate that now Management is being termed as VINDICTIVE since they have promoted 12,000 executives.

Director (HR) further mentioned that CPSU Cadre Hierarchy has been got approved by BSNL Management only from the BSNL Board despite of the many reservations. Some shortcomings of CPSU Cadre Hierarchy w.r.t SC/ST Roster are being examined and shortly some modifications will be made and the CPSU Cadre Hierarchy will be implemented since it is the baby of BSNL Management. Management wants to avoid litigations in CPSU Cadre Hierarchy. Director (HR) categorically told that parity in the promotions will be considered in all the cadres as far as possible before implementation of CPSU Cadre Hierarchy. One side Associations are distributing sweets, felicitating the Management for issuing promotion orders and other side is telling vindictive to the Management. It is most unfortunate.

Lastly, Director (HR) clearly mentioned that if Associations continue to condemn the Management against the promotions then Management will not like to promote executives and meeting ended.
