Sub: The untoward and law breaking incident took place on 19th January 2021.

Respected Sir,

It is understood that you are already aware of the heinous incident that took place in Barackpore area on 19th January 2021. Some of the called JCLs who are actually outsiders at present due to departmental order manhandled Sri Binay Biswas DE/Barackpore.

Electronic and print media have given a wide coverage of that particular incident tarnishing the image of the department.

In this present context we strongly condemn such activity and at the same time request you to take stern action against those miscreants. It is the responsibility of the Administration to ensure the security and safety of the executives working under the organization. Such type of activity not only breaks the morale of the executives but also lowers the esteem of the organization.

We strongly urge that the CTD Administration should ensure exemplary actions against the hooligans and immediate restoration of normalcy.

Thanking You.

Yours Sincerely

(CHANDRA KANTA DAS)
