Sub: Biometrics Attendance in CTD- link up with SAP/ERP- reg.

Ref: DGA/Biometric system/16-17/12 dtd 02 03 2019 of Sr. GM(HR/Admin.)/CTD

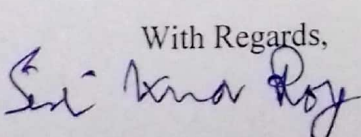

Sir,

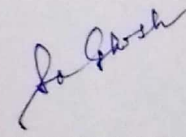

With reference to above we have to state that though AUAB/CTD is positive about imposition of discipline regarding attendance and departure by installation on biometric system, we have the following suggestions before linking up it with SAP/ERP.

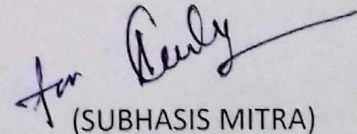

1. 100% of the executives and non executives starting from CGM to ATT should be registered under this system.
2. All the Offices, RLU/ RSUs in CTD Area whether owned or rented should be covered by the biometric device.
3. Before linking the system with SAP/ERP a detailed discussion with AUAB leadership is needed to sort out different problems which may come.

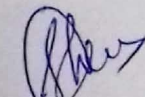

Your kind consideration in this regard is highly solicited.

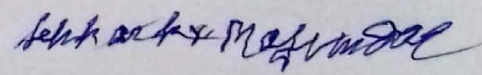

With Regards,
