

Respected President , Beloved GS , Other Dignatories on and off the dais and my all friends from all over India

At the outset I must congratulate Comrade Dhyani and his team for this beautiful arrangement in the auspicious town of Dehradun. I also must convey my heartfelt gratitude to our beloved GS and his CHQ team for making it possible to promote 12000 odd Executives of all wings overcoming all hindrances created by our sister organizations.

On behalf of AIBSNLEA CTD I would like to present Circle Secretary Report before this August House:

CTD is a metro district circle comprising of 6(six) branches viz. South, North, Howrah, Central, Telephone Bhavan and Tiretta Bazar. All the Branches are functioning but in some branches immediate conference is required . ITPC Kolkata also comes under AIBSNLEA CTD Circle . I took the charge of CS in the Circle Conference held in September 2017. The average paid Membership of our Circle is 388 though in July,2018 we got Subscription of 370 members out of which 29 belongs to ITPC Kolkata.

Quota position : Till date we have received Quota upto July,2017 from the CHQ. We have got no pending Quota to be paid to CHQ. We would like to request Comrade FS to give us the share of Quota from August,2017 to July,2018.

Diary position: We received 480 Diaries and will pay the full amount during this meeting.

Legal fund : Our previous committee has already paid Rs. 1,00,000/- as legal fund to the CHQ. At present we are not in a position to contribute more towards this fund due to financial crunch.

In this connection, we would like to request before the CWC meeting to allow us to reimburse the full claim of CS, CP and CWC members for one way journey. We hope, for OS (East) and Consultant full fare will be reimbursed as was done in earlier cases. I am being constrained to put forth this request due to financial

crisis we are facing since EMV, because our ally AIGTOA CTD didn't extend their support in this regard.

I shall take this opportunity to raise some issues which our Circle Executive Committee unanimously resolved in our last CEC meeting held on 4th August, 2018. Details resolution will be submitted.

1. Proposed Closer ITPC Kolkata
2. 4G Spectrum allocation
3. Handover of Immovable Assets
4. Enhancement of rate of stay in Hotel
5. AO to CAO promotion
6. LTC issue
7. Enhancement Mobile Handset reimbursement
8. Unnecessary transfer orders
9. Mediclaim Policy
10. Membership policy of SEWA
11. Pay protection of JTO(Offtg.)
12. PA to PS promotion in Circle
13. E2A to E3 w.e.f. 01.10.2000
14. Sanction of Special CL to Circle and Branch level
15. AD(OL) Restructuring order
16. To fight out the conspiracy to close down PSUs
17. Job Contract scheme payment problem

I must mention the case of Comrade K.D.Bhagat, PS which is very long pending and needs immediate settlement. I request GS personally to look into the matter.

I also like to mention the harsh and unbecoming behavior of our highest administration towards mid level Executives. I would like to appraise the August House that under the guidance of our beloved GS, we wrote a letter protesting the autocratic behavior of the CTD management on June 14, 2018 with a copy to Madam Dir(HR). But very negligible change was visible.

On behalf of my Circle and agonized members of the Executive fraternity, I need the guidance of our beloved GS as well as this August House how to tackle this type of misbehavior. Kindly guide us whether we should go for all out agitation , though we know other Executive Associations will not come to join us or something may be done by the CHQ so that we can get rid of the present higher administration of CTD to get back the dignity of our members.

Before I conclude once again I thank our GS and his team for extending help to Circle body whenever required.

AIBSNLEA ZINDABAD ! DEHRADUN CWC ZINDABAD !
